

The Children's Center Annual Jewelry Luncheon

Thursday, March 4, 2021

Virtual

Mission: The Children's Center provides comprehensive mental health care to enhance the emotional well-being of infants, toddlers, preschoolers and their families.

Why: All proceeds benefit The Children's Center, a private non-profit agency providing therapeutic services to children with emotional and behavioral challenges. The Children's Center provides services to children and families throughout the Salt Lake Valley and across the state of Utah. We assist approximately 2,000 families annually, and due in part to the fundraising through the Luncheon, we are able to provide quality treatment for all those in need, regardless of financial ability.
